

SCORPIO ENTERPRISES LLC

In 1992 we started a project in Yucatan, Mexico. **MA-ATTORNEYS** started as an attorneys at law office providing legal assistance to the public and local corporations in the southeast of Mexico. In 1995 we expanded that service to an international market assisting international companies working with import and export businesses.

In 1998 we expanded **MA-ATTORNEYS** project to the southeast of Spain assisting companies in between both Mexico and Spain.

In 2003 the **MA-ATTORNEYS** project ventured to the United States offering assistance to companies in between all three countries. We are currently involved with local corporations, financial institutions, press, authorities and international organizations which are assisting our expansion.
